Men's Sexual Addiction Therapy Group

Have you been wondering if you have a sexual addiction, how you can win over your sexual addiction, or how to overcome or prevent a relapse?

You're not the only one. Many men are struggling as the world bombards them with more and more sexual messages, images, and easy access to sexual materials.

Find freedom from your addiction by joining this group of other men who are also struggling with sexual addiction. Curt Calas, a Certified Sexual Addictions Therapist, will help you to understand why you have become addicted and help you to take hold of your life once again.

Each weekly group is \$50.00 and may be covered by insurance. Reduced fees are available to those who meet financial guidelines.

To join the group, an initial, individual appointment must be scheduled with Curt Calas, LCPC, CSAT.

Call 630-653-1717 to schedule your appointment and get started on the road to freedom.
